Acknowledgement

Completing this project has been a great learning experience for me, and many people helped me along the way. I would like to thank all of them.

First, I am thankful to the management of **P.D. Pandya Institute of Computer Applications, Ahmedabad**, for providing good laboratory facilities, library resources and a friendly environment for learning.

I express my sincere gratitude to **Dr. Chaitali Pandya Ma'am**, Director, P.D. Pandya Institute of Computer Applications, for her constant encouragement and for providing all the facilities needed for this project.

I am deeply thankful to my project guide, **<<Prof. Name>>**, for his valuable guidance at every stage of this work. His/Her suggestions helped to choose the right way to present my results.

I am also grateful to **Gujarat University** for including the course *Full Stack Web Development Project using ASP.NET Core* in the BCA (Honors) program. This course gave me the chance to build a complete .Net Core project.

Finally, I thank my family and friends for their support and patience throughout this work.
